ALL ACTIONS

**PRETRIAL ORDER NO. 14:
PLAINTIFFS' REQUEST FOR
ADDITIONAL DISCOVERY**

Re: Dkt. No. 150-3

The plaintiffs' request is denied except as to Mark Martens. The parties will confer on document production for Martens and will include a proposed deadline in their March 2 case management statement. The Court expects document production to be compatible with the existing April 17, 2017 deposition cutoff.

IT IS SO ORDERED.
