

PROPOSED CHANGE TO CIVIL LOCAL RULE 77-3
May 31, 2011

The proposed revision to Civil Local Rule 77-3 is the addition of the underlined clause below:

77-3. Photography and Public Broadcasting.

Unless allowed by a Judge or a Magistrate Judge with respect to his or her own chambers or assigned courtroom for ceremonial purposes or for participation in a pilot or other project authorized by the Judicial Council of the Ninth Circuit or the Judicial Conference of the United States, the taking of photographs, public broadcasting or televising, or recording for those purposes in the courtroom or its environs, in connection with any judicial proceeding, is prohibited. Electronic transmittal of courtroom proceedings and presentation of evidence within the confines of the courthouse is permitted, if authorized by the Judge or Magistrate Judge. The term “environs,” as used in this rule, means all floors on which chambers, courtrooms or on which Offices of the Clerk are located, with the exception of any space specifically designated as a Press Room. Nothing in this rule is intended to restrict the use of electronic means to receive or present evidence during Court proceedings.
