1 WHEREAS, Plaintiff the People of the State of California ("the People") acting by and 2 through Kamala D. Harris, Attorney General of the State of California ("the California Attorney 3 General") and the California Air Resources Board ("CARB") (collectively "California") filed a 4 complaint (the "California Complaint") in this action on June 27, 2016, against Volkswagen AG, 5 Volkswagen Group of America, Inc., Volkswagen Group of America Chattanooga Operations 6 LLC, and Audi AG (collectively, "Volkswagen" or the "Volkswagen Parties"), and Dr. Ing. h.c. 7 F. Porsche AG and Porsche Cars North America, Inc. (together "Porsche" or the "Porsche 8 9 Parties") (Volkswagen and Porsche together, "Defendants"), alleging in relevant part that 10 Volkswagen and Porsche violated California Health and Safety Code sections 43016, 43017, 11 43151, 43152, 43153, 43205, 43211, and 43212; California Code of Regulations Title 13, 12 sections 1903, 1961, 1961.2, 1965, 1968.2, and 2037, and the 40 C.F.R sections incorporated 13 therein by reference; California Business and Professions Code sections 17200, 17500, and 14 17580.5; California Civil Code section 3494; and 12 USC § 5536 et seq. in connection with the 15 16 certification, marketing, distribution and sale of certain Volkswagen, Audi and Porsche diesel 17 vehicles (the "California Claims"). 18 **WHEREAS**, the California Claims have been partially resolved through: (1) the entry of 19 the partial consent decree between the California Attorney General and Defendants (the "First 20 California Partial Consent Decree") on September 1, 2016; and (2) the entry of the partial consent 21 decree among the United States, California, and the Volkswagen Parties (the "First Partial 22 Consent Decree"), concerning 2.0 Liter Subject Vehicles, on October 25, 2016. 23 24 **WHEREAS**, Defendants and the People (together the "Parties") have agreed to resolve

WHEREAS, this further partial resolution of California Claims is documented: (1) in part

certain remaining aspects of the California Claims related to 3.0 Liter Subject Vehicles without

the need for litigation.

through the second partial consent decree among the United States, California and Defendants
lodged concurrently herewith (the "Second Partial Consent Decree"), which provides relief to
California in the form of environmental mitigation trust funds, and which addresses other
environmental issues including vehicle recall; and (2) in part through this Partial Consent Decree
(the "Second California Partial Consent Decree"), which provides further Zero Emission Vehicle
("ZEV") relief in California that is intended to address the adverse environmental impacts that
California alleges resulted from Defendants' conduct.

9 WHEREAS, California leads the nation in ZEV technology, and it has worked to increase
 10 the number of ZEVs in use in the state in order to reduce and offset mobile source emissions and
 11 in an effort to find long-term solutions to California's unique air quality challenges.

WHEREAS, Volkswagen is committed to supporting the growth of the market for ZEVs
 in California, including through the introduction of new Volkswagen ZEVs and the strengthening
 of infrastructure for ZEVs in California and throughout the United States, as demonstrated by the
 \$2 billion ZEV investment provided for under the First Partial Consent Decree.

WHEREAS, except as expressly provided in this Second California Partial Consent
Decree (which is referred to herein as the "Consent Decree"), nothing in this Consent Decree
shall constitute an admission of any fact or law by any Party, including as to any factual or legal
assertion set forth in the California Complaint, except for the purpose of enforcing the terms or
conditions set forth herein.

WHEREAS, the Parties recognize, and the Court by entering this Consent Decree finds,
 that this Consent Decree has been negotiated by the Parties in good faith and will avoid litigation
 among the Parties regarding the California Claims, and that this Consent Decree is fair,
 reasonable, and in the public interest.

AND WHEREAS, various settlement documents have been filed in this Multidistrict

Litigation ("MDL") proceeding along with this Second California Partial Consent Decree,

including the Second Partial Consent Decree, and this California Partial Consent Decree will not become effective unless and until the Second Partial Consent Decree is also entered by the Court.

NOW, THEREFORE, before the taking of any testimony, without the adjudication of any issue of fact or law, and with the consent of the Parties, **IT IS HEREBY ADJUDGED**, **ORDERED**, **AND DECREED** as follows:

The Court has 13 supplemental jurisdiction over California's state law claims pursuant to 28 U.S.C. § 1367. 14 Volkswagen and Porsche consent to the Court's jurisdiction over entry of this Consent Decree 15 and over any action against Volkswagen or Porsche to enforce this Consent Decree, and 16 17 consent to venue in this judicial district for such purposes. Volkswagen and Porsche reserve 18 the right to challenge and oppose any claims to jurisdiction by California that do not arise from 19 the Court's jurisdiction over this Consent Decree or an action to enforce this Consent Decree.

2. Solely for purposes of this Consent Decree, without admission of any legal 21 or factual assertion set forth in the California Complaint, and without prejudice to their ability 22 to contest the legal sufficiency or merits of a complaint in any other proceeding, Volkswagen 23 and Porsche do not contest that the California Complaint states claims upon which relief may 24 25 be granted pursuant to: California Health and Safety Code sections 43016, 43017, 43151, 26 43152, 43153, 43205, 43211, and 43212; California Code of Regulations Title 13, sections 27 1903, 1961, 1961.2, 1965, 1968.2, and 2037, and the 40 C.F.R. provisions incorporated therein 28

1 by reference; California Business and Professions Code Sections 17200, 17500, and 17580.5; 2 California Civil Code section 3494; and 12 USC § 5536 et seq. 3 II. APPLICABILITY 4 3. The obligations of this Consent Decree apply to and are binding upon 5 California, and upon Volkswagen and Porsche, as applicable, and any of their respective 6 successors, assigns, or other entities or persons otherwise bound by law. 7 4. In the event of the insolvency of any Volkswagen Party or the failure by 8 9 any Volkswagen Party to implement any requirement of this Consent Decree, the remaining 10 Volkswagen Parties that are parties to this Consent Decree shall complete all such 11 requirements. 12 5. In the event of the insolvency of any Porsche Party or the failure by any 13 Porsche Party to implement any requirement of this Consent Decree, the remaining Porsche 14 Parties that are parties to this Consent Decree shall complete all such requirements. 15 6. Volkswagen shall include an agreement to remain responsible for the 16 17 performance obligations hereunder in the terms of any sale, acquisition, merger or other 18 transaction changing the ownership or control of Volkswagen, and no change in the ownership 19 or control of Volkswagen shall affect the obligations hereunder of Volkswagen without the 20 written agreement of the California Attorney General and CARB or modification of this 21 Consent Decree 22 7. Porsche shall include an agreement to remain responsible for the 23 performance obligations hereunder in the terms of any sale, acquisition, merger or other 24 25 transaction changing the ownership or control of Porsche, and no change in the ownership or 26 control of Porsche shall affect the obligations hereunder of Porsche without the written 27 agreement of the California Attorney General and CARB or modification of this Consent 28 5

Decree.

2 8. In any action to enforce this Consent Decree, Volkswagen and Porsche 3 shall not raise as a defense the failure by any of their respective officers, directors, employees, 4 agents, or contractors to take any actions necessary to comply with the provisions of this 5 Consent Decree. 6 III. **DEFINITIONS** 7 9. 		11. Defendants sh	all contribute to the increased ava	ilability of Zero Emission
7	Vehicles	in California by introduc	ing three additional Battery Electr	ric Vehicle ("BEV")
8	models in	California as follows:		
			7	

1	a. Defendants shall offer and sell two additional BEV models in
2	California, including one BEV Sport Utility Vehicle ("SUV"), in or before
3	2019. For the avoidance of doubt, this means that Defendants must offer no fewer
4	than three BEVs (the two additional BEVs, plus Volkswagen's existing e-Golf
5	BEV or its BEV successor), including one SUV BEV, in California in or before
6	2019.
7	
8	b. Defendants shall offer and sell an additional BEV SUV model in
9	California in or before 2020. For the avoidance of doubt, this means that
10	Defendants must offer no fewer than three BEVs (the two additional BEVs
11	described in paragraph 11(a), plus the third additional BEV described in this
12	paragraph), including two SUV BEVs, in California in or before 2020.
13	c. Defendants shall offer and sell these three additional BEV models
14 15	(or their successors) in California through 2025, and they shall sell an average of
15 16	5,000 of these three additional BEV models (collectively) in California each year
10	
18	from 2019 until 2025. For the avoidance of doubt, this means that Defendants are
19	required to sell 35,000 total units of the three additional BEV models (or their
20	successors) during the seven-year period 2019 to 2025, but that they are not
20	required to sell 5,000 units in any given year.
22	d. It is the intention of the parties that the requirements of this section
23	will result in an increased availability of ZEVs in California. For that reason: (i)
24	Defendants shall not sell ZEV credits resulting from their sale in California of these
25	three additional models; and (ii) Volkswagen shall continue to offer its existing
26	BEV model (the VW e-Golf BEV) or its successor or replacement models in
27	
28	California until 2019. In the event that Volkswagen introduces a new BEV model
	8

in the United States between 2020 and 2025, it agrees to offer that BEV model (or its successor) in California until at least 2025.

3 e. If prevailing market conditions—including, but not limited to, the 4 price of gasoline, overall vehicle sales, and sales of premium, ZEV, and sport 5 utility vehicles-materially change in a manner that adversely affects the market in 6 California for ZEVs, and that materially impairs the ability of Defendants to meet 7 8 their obligation to sell a combined total of 35,000 units (*i.e.*, a 5,000-unit annual 9 average) of those three additional ZEV models (collectively) in California during 10 the period 2019 through 2025, California agrees to meet with Defendants in good 11 faith to negotiate a reduction in this sales requirement. If Defendants and 12 California fail to reach agreement concerning a requested reduction, Defendants 13 may petition the Court for such a reduction, and California may oppose the 14 15 petition. The Court's determination as to whether a reduction is appropriate and, if 16 so, the amount of the reduction shall be binding upon the Parties. Notwithstanding 17 the foregoing, the State of California's failure to offer a rebate, tax credit, or similar 18 incentive for the purchase of ZEVs shall not relieve Defendants of their obligations 19 under this paragraph, except that, for each year in which no such rebate, tax credit, 20 or similar incentive is offered, Defendants' obligation to sell an annual average of 21 5,000 vehicles per year under paragraph 11(c) shall be reduced by 50% (*i.e.*, the 22 23 total sales obligation for the seven-year-period shall be reduced by a number of 24 vehicles equal to 50% of one seventh of 35,000 vehicles). 25

Volkswagen shall further contribute to the availability of Zero Emission
 Vehicles in California by making a payment of \$25,000,000 to ARB no later than July 1,
 2017. Such payment shall be used, in the discretion of ARB, to support the ZEV-related

aspects of the EFMP Plus Up program, or the ZEV-related aspects of similar vehicle replacement programs, in California in FY 2017-2018 or later years.

3	13. Defendants shall, within six months of the entry of this Consent Decree,
4	and every year thereafter until it has completed its obligations under this Consent Decree,
5	
6	provide CARB and the California Attorney General with a written report regarding their
7	compliance with the requirements of this Section IV. Defendants shall also provide CARB
8	and the California Attorney General with any documents or information, including but not
9	limited to information related to vehicle sales, that they may reasonably request in order to
10	evaluate whether Defendants have complied with the requirements of this Section IV.
11	14. Nothing in this Consent Decree alters the requirements of federal or state
12	law to the extent they offer greater protection to consumers or to the environment.
13	
14	15. Payments required to be made pursuant this Consent Decree shall be made
15	via wire transfer to CARB pursuant to instructions to be provided by CARB.
16	V. <u>EFFECT OF SETTLEMENT/RESERVATION OF RIGHTS</u>
17	16. Satisfaction of all the requirements of this Consent Decree, and of the
18	Second Partial Consent Decree, shall resolve and settle all of California's civil claims in the
19	California Complaint for injunctive relief, based on facts that were disclosed by Defendants
20	to EPA and CARB prior to October 24, 2016, relating to any defeat devices or auxiliary
21	emission control devices ("AECDs") in the 3.0 Liter Subject Vehicles, that they made or

23	could have made against Defendants:
24	a. requiring Defendants to take action to buy back, recall, or modify
25	the 3.0 Liter Subject Vehicles in order to remedy the violations alleged in the
26	California Complaint concerning the 3.0 Liter Subject Vehicles;
27	b. requiring Defendants to make payments to owners and lessees of

10	reserves all claims, rights, and remedies against Defendants with respect to:

Decree, the First California Partial Consent Decree, or the Second Partial Consent Decree.

19. By entering into this Consent Decree, California is not enforcing the laws of other countries, including the emissions laws or regulations of any jurisdiction outside the United States. Nothing in this Consent Decree is intended to apply to, or affect, Volkswagen's or Porsche's obligations under the laws or regulations of any jurisdiction outside the United States. At the same time, the laws and regulations of other countries shall not affect Volkswagen's or Porsche's obligations under this Consent Decree.

20. This Consent Decree shall not be construed to limit the rights of California to obtain penalties or injunctive relief, except as specifically provided in paragraph 16.
California further reserves all legal and equitable remedies to address any imminent and substantial endangerment to the public health or welfare or the environment arising at any of Volkswagen's or Porsche's facilities, or posed by Defendants' 3.0 Liter Subject Vehicles, whether related to the violations addressed in this Consent Decree or otherwise.

21. In any subsequent judicial proceeding initiated by California for injunctive relief, civil penalties, or other relief, Volkswagen and Porsche shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by California in the subsequent proceeding were or should have been brought in the instant case, except with respect to the claims that have been specifically released pursuant to paragraph 16.

24 22. This Consent Decree is not a permit, or a modification of any permit, under

Decree shall be no defense to any action commenced pursuant to any such laws, regulations, or
permits, except as set forth herein. California does not, by its consent to the entry of this
Consent Decree, warrant or aver in any manner that Volkswagen's or Porsche's compliance
with any aspect of this Consent Decree will result in compliance with provisions of the Clean
Air Act, or with any other provisions of United States, State, or local laws, regulations, or
permits.

23. Nothing in this Consent Decree releases any private rights of actionasserted by entities or persons not releasing claims under this Consent Decree, nor does thisConsent Decree limit any defense available to Volkswagen or Porsche in any such action.

24. This Consent Decree does not limit or affect the rights of Volkswagen or Porsche or of California against any third parties, not party to this Consent Decree, nor does it limit the rights of third parties, not party to this Consent Decree, against Volkswagen or Porsche, except as otherwise provided by law.

This Consent Decree shall not be construed to create rights in, or grant any

 entitled to enforce any aspect of this Consent Decree or claim any legal or equitable injury for
 a violation of this Consent Decree.

26. Nothing in this Consent Decree shall be construed as a waiver or limitation
of any defense or cause of action otherwise available to Volkswagen or Porsche in any action.
