The Beneficiary agrees, without limitation, to be bound by the terms of the Trust Agreement, including the allocations of the Trust Assets set forth in Appendix D-1 and Appendix D-1A to the Trust Agreement, as such allocation may be adjusted in accordance with the Trust Agreement. No. 3228-1), all claims for injunctive relief to redress environmental injury caused by the 2.0 Liter Subject Vehicles and the 3.0 Liter Subject Vehicles (jointly, "Subject Vehicles"), whether based on the environmental or common law within its jurisdiction. This waiver is binding on all agencies, departments, offices, and divisions of the Beneficiary asserting, purporting to assert, or capable of asserting such claims. 7. Publicly Available Information

The Beneficiary certifies that it will maintain and make publicly available all documentation and records: (i) submitted by it in support of each funding request; and (ii) supporting all expenditures of Trust Funds by the Beneficiary, each until the Termination Date of the Trust pursuant to Paragraph 6.8 of the Trust Agreement, unless the laws of the Beneficiary require a longer record retention period. Together herewith, the Beneficiary attaches an explanation of: (i) the procedures by which the records may be accessed, which shall be designed to support access and limit burden for the general public; (ii) for the Beneficiary Mitigation Plan required under Paragraph 4.1 of the Trust Agreement, the procedures by which public input will be solicited and considered; and (iii) a description of whether and the extent to which the certification in this Paragraph 7 is subject to the Beneficiary's applicable laws governing the publication of confidential business information and personally identifiable information.

  - ii. Emissions resulting from such a defeat device or AECD; or
  - iii. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.

  - i. The fact that the vehicle has been modified in accordance with the Approved Emissions Modification or the Emissions Compliant Recall; or
  - ii. Emissions resulting from the modification (including, but not limited to, the anticipated emissions described in Appendix B to the Partial Consent Decree and Appendix B to the Second Partial Consent Decree); or
  - iii. Other emissions-related vehicle characteristics that result from the modification; or

- iv. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (c) May identify Subject Vehicles as having been modified, or not modified, in accordance with the Approved Emissions Modification or the Emissions Compliant Recall on the basis of VIN-specific information provided to the Beneficiary by the Defendants.
- (d) Notwithstanding the foregoing, the Beneficiary may deny registration to any Subject Vehicle on the basis that the Subject Vehicle fails to meet EPA's or the Beneficiary's failure criteria for the onboard diagnostic ("OBD") inspection; or on other grounds authorized or required under applicable federal regulations (including an approved State Implementation Plan) or under Section 209 or 177 of the Clean Air Act and not explicitly excluded in subparagraphs 9(a)-(b).

10. Reliance on Certification

The Beneficiary acknowledges that the Trustee is entitled to rely conclusively on, without further duty of inquiry, and shall be protected in relying upon, this Appendix D-3 Certification, or a subsequent communication from the Lead Agency designating new or additional authorized individuals, as setting forth the Lead Agency and the authorized individuals who may direct the Trustee with respect to all of the Beneficiary's rights and duties under the Trust Agreement. The Beneficiary and its delegated Lead Agency, including all authorized individuals, agree to comply with all security procedures, standard payment and signatory authorization protocols, as well as procedures for designating new or additional authorized individuals, as set forth by the Trustee.

## ARKANSAS CERTIFICATION FOR BENEFICIARY STATUS

### Attachment 1 to Appendix D-3 Certification for Beneficiary Status Section 7: Publicly Available Information

In accordance with Paragraph seven (7) of the Certification for Beneficiary Status required under Appendix D-3, this attachment one (1) states the following:

1. All documents and records submitted to the Volkswagen Mitigation Trust Trustee, Wilmington Trust (“Trustee”) by the Arkansas Department of Environmental Quality (ADEQ) in support of each funding request for expenditures of the state’s portion of the Volkswagen Mitigation Fund (“Trust Fund”), pursuant to the Arkansas Volkswagen Mitigation Plan (“Mitigation Plan”), will be maintained until the Termination Date of the Trust pursuant to Paragraph 6.8 of the Trust agreement. These records may be obtained by calling or emailing the contacts on the State’s Volkswagen settlement webpage: <https://www.adeq.state.ar.us/air/planning/vw.aspx>. ADEQ’s Volkswagen Settlement webpage will be the main tool used for disseminating information regarding expenditures from the State’s portion of the Trust Fund. ADEQ will provide reasonable access to requested documentation and records in compliance with the procedures of Arkansas Freedom of Information Act (“FOIA”), codified at Arkansas Code Annotated § 25-19-101, *et seq.*. However, ADEQ will provide access to all persons requesting such records, rather than solely the citizens of Arkansas, which is not required by the Arkansas Freedom of Information Act.
2. A Mitigation Plan will be made available for an initial public comment period of at least thirty (30) days before ADEQ submits the Mitigation Plan to the Trustee. During this comment period, the Mitigation Plan will be made available on the website developed by ADEQ that is dedicated to information regarding the Volkswagen settlement including ADEQ’s Mitigation Plan: <https://www.adeq.state.ar.us/air/planning/vw.aspx>. ADEQ will provide contact information for use by members of the public seeking to provide comments, including an email address. After the end of the public comment period, ADEQ will review all comments. ADEQ will post comments received to the ADEQ Mitigation plan website: <https://www.adeq.state.ar.us/air/planning/vw.aspx>. ADEQ will determine to what extent changes to the Mitigation Plan are warranted in response to public comments. The final Mitigation Plan will be made publicly available.
3. Any documents provided to ADEQ in support of a comment to the Mitigation Plan or to secure funding for an eligible project under the Mitigation Plan are subject to public disclosure under FOIA. Personal information is generally not exempt from disclosure under FOIA but certain personally identifiable information, such as birthdays and social security numbers are exempt from disclosure. If included in documents provided to

ADEQ, these items would require redaction prior to release of the documents pursuant to FOIA. Arkansas addresses confidential business information in the Arkansas Trade Secrets Act (Arkansas Code Annotated § 4-75-601, *et seq.*). ADEQ may deny inspection of specific information contained in public records if it is determined that the information submitted is a trade secret within the meaning of the Arkansas Trade Secrets Act and the information was submitted consistent with the ADEQ procedures for handling trade secrets, which is publicly available on the ADEQ website:
