2. Submission to Jurisdiction

The Beneficiary expressly consents to the jurisdiction of the U.S. District Court for the Northern District of California for all matters concerning the interpretation or performance of, or any disputes arising under, the Trust and the Environmental Mitigation Trust Agreement ("Trust Agreement"). The Beneficiary’s agreement to federal jurisdiction for this purpose shall not be construed as consent to federal court jurisdiction for any other purpose.

3. Agreement to be Bound by the Trust Agreement and Consent to Trustee Authority

The Beneficiary agrees, without limitation, to be bound by the terms of the Trust Agreement, including the allocations of the Trust Assets set forth in Appendix D-1 and Appendix D-1A to the Trust Agreement, as such allocation may be adjusted in accordance with the Trust Agreement. The Beneficiary further agrees that the Trustee has the authorities set forth in the Trust Agreement, including, but not limited to, the authority: (i) to approve, deny, request modifications, or request further information related to any request for funds pursuant to the Trust Agreement; and (ii) to implement the Trust Agreement in accordance with its terms.
4. Certification of Legal Authority

The Beneficiary certifies that: (i) it has the authority to sign and be bound by this Certification Form; (ii) the Beneficiary’s laws do not prohibit it from being a Trust Beneficiary; (iii) either (a) the Beneficiary’s laws do not prohibit it from receiving or directing payment of funds from the Trust, or (b) if the Beneficiary does not have the authority to receive or direct payment of funds from the Trust, then prior to requesting any funds from the Trust, the Beneficiary shall obtain full legal authority to receive and/or direct payments of such funds within two years of submitting this Certification Form; and (iv) if the Beneficiary does not have the authority to receive or direct payment of funds from the Trust and fails to demonstrate that it has obtained such legal authority within two years of submitting this Certification Form, it shall become an Excluded Entity under the Trust Agreement and its initial allocation shall be redistributed among the Beneficiaries pursuant to subparagraph 5.0.1 of the Trust Agreement.

5. Certification of Legal Compliance and Disposition of Unused Funds

The Beneficiary certifies and agrees that, in connection with all actions related to the Trust and the Trust Agreement, the Beneficiary has followed and will follow all applicable law and will assume full responsibility for its decisions in that regard. The Beneficiary further certifies that all funds received on account of any Eligible Mitigation Action request that are not used for the Eligible Mitigation Action shall be returned to the Trust for credit to the Beneficiary’s allocation.

6. Waiver of Claims for Injunctive Relief under Environmental or Common Laws

Upon becoming a Beneficiary, the Beneficiary, on behalf of itself and all of its agencies, departments, offices, and divisions, hereby expressly waives, in favor of the parties (including the Settling Defendants) to the Partial Consent Decree (Dkt. No. 2103-1) and the parties (including the Defendants) to the Second Partial Consent Decree (Dkt. No. 3228-1), all claims for injunctive relief to redress environmental injury caused by the 2.0 Liter Subject Vehicles and the 3.0 Liter Subject Vehicles (jointly, “Subject Vehicles”), whether based on the environmental or common law within its jurisdiction. This waiver is binding on all agencies, departments, offices, and divisions of the Beneficiary asserting, purporting to assert, or capable of asserting such claims. This waiver does not waive, and the Beneficiary expressly reserves, its rights, if any, to seek fines or penalties.

7. Publicly Available Information

The Beneficiary certifies that it will maintain and make publicly available all documentation and records: (i) submitted by it in support of each funding request; and (ii) supporting all expenditures of Trust Funds by the Beneficiary, each until the Termination Date of the Trust pursuant to Paragraph 6.8 of the Trust Agreement, unless the laws of the Beneficiary require a longer record retention period. Together herewith, the Beneficiary attaches an explanation of: (i) the procedures by which the records may be accessed, which shall be designed to support access and limit burden for the general public; (ii) for the Beneficiary Mitigation Plan required under Paragraph 4.1 of the Trust Agreement, the procedures by which public input will be
solicited and considered; and (iii) a description of whether and the extent to which the
certification in this Paragraph 7 is subject to the Beneficiary’s applicable laws governing the
publication of confidential business information and personally identifiable information.

8. Notice of Availability of Mitigation Action Funds

The Beneficiary certifies that, not later than 30 Days after being deemed a Beneficiary pursuant
to the Trust Agreement, the Beneficiary will provide a copy of the Trust Agreement with
Attachments to the U.S. Department of the Interior, the U.S. Department of Agriculture, and any
other Federal agency that has custody, control or management of land within or contiguous to the
territorial boundaries of the Beneficiary and has by then notified the Beneficiary of its interest
hereunder, explaining that the Beneficiary may request Eligible Mitigation Action funds for use
on lands within that Federal agency’s custody, control or management (including, but not limited
to, Clean Air Act Class I and II areas), and setting forth the procedures by which the Beneficiary
will review, consider, and make a written determination upon each such request.

9. Registration of Subject Vehicles

The Beneficiary certifies, for the benefit of the Parties (including the Settling Defendants) to the
Partial Consent Decree and the Parties to the Second Partial Consent Decree (including the
Defendants) and the owners from time-to-time of Subject Vehicles, that upon becoming a
Beneficiary, the Beneficiary:

(a) Shall not deny registration to any Subject Vehicle based solely on:

   i. The presence of a defeat device or AECO covered by the resolution of
      claims in the Partial Consent Decree or in the Second Partial Consent
      Decree; or

   ii. Emissions resulting from such a defeat device or AECO; or

   iii. The availability of an Approved Emissions Modification, an Emissions
        Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee
        Payment Program.

(b) Shall not deny registration to any Subject Vehicle that has been modified in
    accordance with an Approved Emissions Modification or an Emissions Compliant
    Recall based solely on:

   i. The fact that the vehicle has been modified in accordance with the
      Approved Emissions Modification or the Emissions Compliant Recall; or

   ii. Emissions resulting from the modification (including, but not limited to,
      the anticipated emissions described in Appendix B to the Partial Consent
      Decree and Appendix B to the Second Partial Consent Decree); or
iii. Other emissions-related vehicle characteristics that result from the modification; or

iv. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.

(c) May identify Subject Vehicles as having been modified, or not modified, in accordance with the Approved Emissions Modification or the Emissions Compliant Recall on the basis of VIN-specific information provided to the Beneficiary by the Defendants.

(d) Notwithstanding the foregoing, the Beneficiary may deny registration to any Subject Vehicle on the basis that the Subject Vehicle fails to meet EPA’s or the Beneficiary’s failure criteria for the onboard diagnostic (“OBD”) inspection; or on other grounds authorized or required under applicable federal regulations (including an approved State Implementation Plan) or under Section 209 or 177 of the Clean Air Act and not explicitly excluded in subparagraphs 9(a)-(b).

10. Reliance on Certification

The Beneficiary acknowledges that the Trustee is entitled to rely conclusively on, without further duty of inquiry, and shall be protected in relying upon, this Appendix D-3 Certification, or a subsequent communication from the Lead Agency designating new or additional authorized individuals, as setting forth the Lead Agency and the authorized individuals who may direct the Trustee with respect to all of the Beneficiary's rights and duties under the Trust Agreement. The Beneficiary and its delegated Lead Agency, including all authorized individuals, agree to comply with all security procedures, standard payment and signatory authorization protocols, as well as procedures for designating new or additional authorized individuals, as set forth by the Trustee.

Maine Attachment 1. Explanation Related to Paragraph 7, Publicly Available Information

(i) Procedures by which records may be accessed, which shall be designed to support access and limit burden for general public:

MaineDOT has established a website (http://www.mainedot/vw) to house state-specific documents (e.g., Beneficiary Mitigation Plan, certification application, etc.), guidance, public comments, funding process descriptions, and web links to other sites for useful background information and resources related to the VW Settlement.

(ii) Procedures by which public input on Beneficiary Mitigation Plan will be solicited and considered:

In addition to soliciting public comments via www.mainedot/vw, MaineDOT will hold two public meetings during November 2017 to receive public comments on Maine’s draft Beneficiary Mitigation Plan. One meeting will be held in Portland, Maine and the second in Bangor, Maine. MaineDOT is in the process of reserving meeting space and publicity for these events. All comments received and responses will be posted at www.mainedot/vw.

(iii) Description of whether and extent to which certification in Paragraph 7 is subject to Maine’s applicable laws governing publication of confidential business information and personally identifiable information:

The certification in Paragraph 7 is subject to Maine’s Freedom of Access Act (FOAA), 1 M.R.S. §§ 400-414, and other applicable Maine law. All documentation and records submitted by the State in support of each funding request and supporting all expenditures of Trust Funds by the State shall be accessible to the public unless an exception from disclosure under Maine law applies to the document or part thereof. For example, Maine’s FOAA, 1 M.R.S. § 402(3), includes in the list of exceptions a general exception for records that have been designated confidential by statute. Any claims for confidentiality under this exception, other enumerated exceptions, or under other Maine law would be reviewed by the Maine Department of Transportation and legal counsel. Documents, or parts of documents, would be protected from disclosure only to the extent required by Maine law. The State has identified the following specific provisions potentially applicable to confidential business information and personally identifiable information.

The enumerated exceptions under Maine’s FOAA include records that would be within the scope of a privilege against discovery or use as evidence recognized by Maine courts in civil or criminal trials if the records were sought during the course of a court proceeding. 1 M.R.S. § 402(3)(B). Maine Rule of Civil Procedure 26(c) provides that a trade secret or other confidential research, development, or commercial information may be the subject of a protective order by a court, when sought during discovery. Also, Rule 507 of the Maine Rules of Evidence contains a privilege to refuse to disclose, and prevent others from disclosing, a trade secret. The Maine Supreme Judicial Court has looked to the definition of
“trade secret” in Maine’s Uniform Trade Secrets Act, 10 M.R.S. § 1542(4), in interpreting “trade secret” claims for non-disclosure under FOAA. That definition includes information that “[d]erives independent economic value, actual or potential, from not being generally known to and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use” and “[i]s the subject of efforts that are reasonable under the circumstances to maintain its secrecy.”

Maine’s FOAA contains exceptions to disclosure for certain personally identifiable information such as social security numbers. 1 M.R.S. § 402(3)(N).
