- E. Invest funds in federally insured interest bearing accounts, government securities or money market funds invested in government obligations;
- F. Perform such other functions as the court may direct.

- E. Covering costs of attorney admission proceedings (including expenses of admissions, committees, and admissions ceremonies);

- F. Covering the costs of attorney discipline proceedings (including expenses of investigating counsel for disciplinary enforcement, travel expenses and witness fees in disciplinary proceedings);
- G. Covering costs of the annual Northern District Judicial Conference and costs associated with the court's participation in the annual Ninth Circuit Judicial Conference, including, but not limited to: site fees; public service awards; lodging and meals for speakers and presenters; subsidized lodging; meals and participation fees for government and public interest attorneys; and signage and printed and digital conference materials;
- H. Providing adequate facilities for attorneys practicing in the court;
- I. Covering costs of special projects or acquisitions to further the administration of justice within the district including, without limitation, providing assistance to litigants without counsel and disseminating information about court proceedings.

V. ADMINISTRATION OF THE FUND

The Fund shall be administered by a Non-Appropriated Fund Committee appointed by the Chief Judge, consisting of the Chief Judge, ex officio, a chairperson and four other judicial officers, at least one of whom shall be from the San Jose division, and one of whom shall be from the Oakland Division. This Committee shall be responsible for overseeing the Clerk in his/her custodial responsibilities, reviewing and approving the quarterly accountings rendered by the Clerk, and making recommendations to the court on proposed expenditures from the Fund.

The chairperson (or, in the chairperson's absence, the Chief Judge) shall have the authority to approve individual disbursements not exceeding \$5,000. The Committee, or a majority thereof, shall have the authority to approve individual disbursements not exceeding \$25,000. All expenditures in excess of \$25,000 may be authorized only by a majority of a quorum of active judges.

Any judge, staff member or member of the bar of this court may recommend to the Committee uses for non-appropriated funds.

When non-appropriated funds are administered by a grantee (such as, for example, the court's Lawyer Representatives in connection with the annual Northern District Judicial Conference), the grantee must submit to the Non-Appropriated Fund Committee an accounting of the expenses paid for with non-appropriated funds and shall provide such supporting documentation as the court requests. Such accounting should be submitted as soon as practicable after the non-appropriated funds at issue are spent. Unless otherwise provided in the grant, every grantee with custody of non-appropriated funds for a period greater than ninety (90) days shall submit a quarterly accounting of the funds and a status report on the project or program for which the non-appropriated funds were granted.

From time to time, if the Chief Judge determines that the court or the Non-Appropriated Fund Committee would benefit from advice from members of the bar with respect to particular matters of policy or administration of the Fund, the Chief Judge may appoint a Non-Appropriated Fund Advisory Committee. The Advisory Committee shall be composed of five members of the bar. One member shall be the president of the Federal Bar Association for the Northern District of California. The Chief Judge shall designate the terms of the members of

the Advisory Committee and the particular matter for which the Advisory Committee's advice is sought.

VI. AUDIT

The financial records, disbursements, receipts and earning statements shall be audited by the Audit Division of the AO as a part of their periodic reviews of the business of the court; and the Clerk as part of the court's annual internal audit. The Non-Appropriated Fund Committee may direct that an audit be performed by an outside auditor at any time. The cost of such audit, if any, shall be paid out of the Fund.
